

Meeting by the Lakes - A FUSION CONCERT

July 2007

Dear Friends,

We would like to invite you to support our upcoming fusion concert fundraising event. This year, we will be welcoming Grammy Award winning guitarists Vishwa Mohan Bhatt and Andrew York. After a standing ovation at the International Guitar Night at the Cedar Cultural Centre in February, 2007, the artists are coming back to perform together for a worthy cause. They will be performing in St. Paul, MN, on Saturday, September 15th at the College of St. Catherine's Jeanne D'Arc Auditorium. Accompanying them will be Minnesota guitarist James Anton and percussionist Ram Kumar Misra on tabla.

Chinmaya Mission Twin Cities (CMTC) is a non-profit organization aimed at providing a cultural, spiritual and educational environment. The organization has been in existence in the Twin Cities since 2002. Our goal is to have our own facility that would enable us to provide a center that would serve our needs as well as those of the community.

The concert is a unique event bringing artists together from India, England and Minnesota to represent the changing landscape of our city. It is sure to be enjoyed by all!

We appreciate your support for this unique cultural event. If you require any further information for either donation or sponsorship, please feel free to contact the organizers below. Attached is a form to be completed if you wish to submit an ad or artwork to be featured in the concert program which will be distributed to all those in attendance.

Sincerely,

Manu Madhok
